SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Dunbarton, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1952, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant officer, and fix the compensation of any other officer or agent of the district.

6. To hear the reports of Agents, Auditors, and Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of

statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Dunbarton this 28th day of January, 1952.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Dunbarton:

I hereby submit my annual report as Superintendent of Schools.

The current school year opened with no change in teaching personnel in the Center School; Mrs. Marion Hayes and Mrs. Elizabeth Fottler returning as teachers of the primary and grammer rooms respectively.

During the present school year Miss Edith Walker who had served as school nurse in this area for over 25 years retired. The school boards of Dunbarton, Goffstown, New Boston and Weare elected Mrs. Beatrice Bockus of Weare to replace Miss Walker. We feel that we are very fortunate in being able to employ Mrs. Bockus, for her background and training are highly adequate to carry on her health work.

During the school year 1950-51, our average daily membership at the Center School was 64 elementary pupils. In addition to these pupils, the district had three pupils in the Bow Elementary School on a tuition basis, and also an average of 7.3 pupils in the elementary schools of Manchester.

The elementary enrollments for the present school year show 60 pupils at the Center School, four at Bow, and six pupils in the Manchester Elementary Schools, a total slightly under the figures for 1950-51.

On the secondary level in 1950-51 we had an average of 10.2 pupils in Concord Junior and Senior High Schools, 12 in Goffstown High School, and three in High Schools of Manchester. The current enrollment figures show 16 at Concord, 14 at Goffstown and four at Manchester.

School boards and school administrators are currently faced with three outstanding problems;—(1) An increasing

number of elementary pupils, (2) a decrease in the supply of qualified elementary teachers, and (3), the increased costs of education.

It might be well to examine our school and pre-school census figures. As has been previously mentioned in this report, we now have approximately 60 pupils at the Center, divided 36 in the lower room and 24 in the upper. The former figure is higher than we desire for a four-grade room and to add even a few additional pupils would cause an over-crowding and a critical problem.

Let us for a moment analyze our pre-school census. The census figures compiled last fall show the following number of pupils scheduled to enter the Center School in the years indicated:

1952	—	9
1953	—	14
1954	—	9
1955	—	10
1956	—	12
1957	—	11

If we project these entering classes over the next six-year period, we find the anticipated enrollments to be:

	Primary Room (Gr. 1-4)	Grammar Room (Gr. 5-8)
1952-53	32	28
1953-54	38	32
1954-55	42	34
1955-56	37	36
1956-57	41	32
1957-58	32	28

It can be readily seen from the above table that beginning in the fall of 1953 and extending for a period of some four years, our lower-grade room will be over-crowded, and means must be found to accommodate six or eight of our youngsters

in other quarters, probably on a tuition basis in a neighboring community. Such a conclusion is drawn because of the slight decrease anticipated for 1957-58, which may or may not be indicative of a return to our present totals. Until such time as we are certain of a definite and permanent trend toward higher figures, it is probably unwise to seriously consider added school room space in Dunbarton.

The second major problem of teacher personnel is one affecting not only our town, but also the state and nation. In New Hampshire alone, it is estimated that we will have 3,200 more youngsters in our elementary schools next fall than are in attendance this year. We must, therefore, secure 110 additional teachers for the schools of New Hampshire. It is estimated that each year 150 teachers retire or move from the state, and with but 100 teachers to be graduated from our teachers' colleges this June, we will be short some 160 qualified teachers for next fall.

During the past few years we in Dunbarton have been fortunate in having two well-qualified teachers. However, if we were forced to replace these teachers, we would find it practically impossible to employ others to handle a compound-grade arrangement such as we have here. With the demand for teachers far in excess of the supply, it is to be expected that potential teachers will locate in single-grade positions, and districts maintaining three and four grade situations will be the last served. It is indeed a tragedy that the youth of our smaller towns is not to have teachers of adequate training and experience during its formative years.

Our third major problem of finance is obviously due to a large extent to the two prior factors. Our secondary tuition pupils will not increase to any great degree for the next four or five years, but the cost of their tuitions has and undoubtedly will continue to increase. The high schools to which we are sending our high school pupils have steadily increased their tuition charges due to their increased costs of operation, and next fall we will be required to pay from $250 (at Goffstown)

to $290 (at Concord). Although the total tuition bill appears high, it must be remembered that no town as small as ours can possibly educate its high school pupils at a per-pupil cost equal to that which we are now paying.

In closing may I extend my appreciation to the School Board, the teachers, and the townspeople who have cooperated so fully for the betterment of our local school.

Respectfully submitted,

LEWIS F. FOOTE,
Supt. of Schools

FIRE WARDEN'S REPORT

Only YOU can PREVENT Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community need YOUR thoughtful and cooperative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands—

When YOU fail to secure the required permit from your local forest fire warden before burning—

When YOU are careless in smoking near woodlands—

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway—

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER—the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest fires!! WILL YOU help?
